Insightful and useful information for event professionals

Welcome to Evento's inspiring stories! Evento is a magazine for event professionals that covers everything from corporate events and staff parties to Christmas parties, concerts, conferences, and summer festivals.

At Evento, we follow developments and trends in the event industry every day and strive to provide our readers with the latest useful information. The magazine contains many interesting interviews and

insightful reflections from leading figures in the industry. The magazine serves readers ranging from CEOs to assistants and from event producers to marketing decision-makers. Evento's articles are designed for everyday use.

In addition to the printed magazine, Evento's topics are also available on Avecmedia's online media, in newsletters, and on social media. And, of course, at Finland's largest competition and gala for event professionals, the Evento Awards.

"I don't know where else I could get such an easy overview of the event industry's news, activities, and ideas."
